Quiet Time Thoughts

Pro 14:12 There is a way that seems right to a man, but its end is the way to death.

A driver's wrong turn in 1914 led to the death of Austria's Archduke and his wife and to four years of war and the death of more than 16 million people from the world war ignited by the assassin.

The story is true, but it is an over-dramatization of this fact: wrong turns can lead to tragic consequences – even death.

Pray about every choice, every change in plans. Go slow. Be careful. Reverse any wrong turns. Choose God's ways, not man's; take the road that leads to life.

If you are new to Faithway, have been attending for some time and would like a mailbox and/or receive the weekly prayer bulletin via email please call or email the church office.
