Quiet Time Thoughts

1Sa 16:7b For the LORD sees not as man sees: man looks on the outward appearance, but the LORD looks on the heart."

The problem with any photo is that it only records what's on the outside. No camera has yet been invented (or ever will be) that can photograph the spiritual status of the heart, soul or mind. And that is the part God is most concerned about. Those viewing your photos can't see your heart, but God can. Make sure He finds in you a heart that is pursuing Him.
