Quiet Time Thoughts

John 3:21 But whoever does what is true comes to the light, so that it may be clearly seen that his works have been carried out in God."

The darkness has not overcome the light. There is an enduring promise and hope in that statement. Light has and will overcome darkness. It is up to us to accept that promise and step out of the shadows into the light. No matter the circumstances or how bleak the future looks, stand in the knowledge that we are the light of the world, and the light in us will overcome the darkness so we can shine the light of truth in the world.
