Quiet Time Thoughts

Job 2:5 "But stretch out your hand and touch his bone and his flesh, and he will curse you to your face." Said Satan to God.

But Job was a righteous man who "feared God, and shunned evil." Satan wanted to change Job's attitude about God. However, God had confidence in Job. Job didn't curse God but set out on a course to understand what God was doing in his life.

If you are hurting today, remember Job's story. Don't let your circumstances change your faith in God. Instead, resist the devil and submit to God's plan.
