Quiet Time Thoughts

Gen 1 : 1 In the beginning, God created the heavens and the earth.

It takes a lot of mind bending credulity to be an atheist. You have to argue that the complexity of the universe occurred by random events originating from nothing. You have to believe humans have no worth. You have to explain away the historic truths of the Bible. And you have to abandon all hope of life beyond the grave. In the beginning God created the Heavens and the earth.

If you are new to Faithway, have been attending for some time and would like a mailbox and/or receive the weekly prayer bulletin via email please call or email the church office. We also have a prayer chain for urgent prayer requests you could be a part of. Speak to Leslie Ingram if you would like more information.
