MISSION FOCUS

Jeff & Rachel Lee; Birmingham, England They are praising God for new contacts that visited the church at Christmas and for the recent opportunity to meet and fellowship with ABWE UK field team members. Pray for them as they prepare for Home Assignment in the Spring. With the low Canadian dollar they are currently \$376.40 behind in support each month. More detail in their latest newsletter in the foyer.

Quiet Time Thoughts

Heb 11:1 KJV Now faith is the substance of things hoped for, the evidence of things not seen.

That is what faith is. We cannot apprehend faith with our senses, but we can definitely see its evidence. We see the world exists and believe God created it. We can see the changes in our lives and believe the power of God is responsible. We pray and believe God answers prayers. Don't let faith be a stumbling block. Faith is ultimately dependent on the object of faith, God and His word.

Place your faith in the God you cannot see – BELIEVING is SEEING!!
