Quiet Time Thoughts

Pro 1:33 ...but whoever listens to me will dwell secure and will be at ease, without dread of disaster."

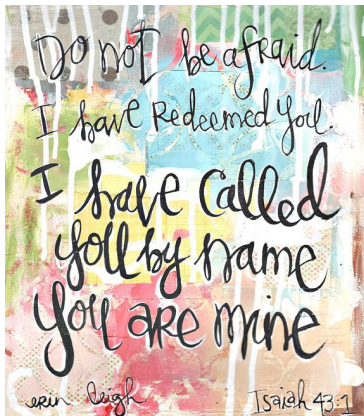

Is there a better word than insecurity to describe how many people feel today? The economy, world events, the breakdown of cultural norms and traditions – none of those contribute to a feeling of security. Is it possible to feel secure in the modern world? According to Solomon, yes. Security comes from listening to, and obeying what God says about walking in His ways.
