## **Quiet Time Thoughts**

**1Ti 2:5 For there is one God, and there is one mediator between God and men, the man Christ Jesus,**

A mediator was needed to satisfy the claims of a holy God against sinful humanity. Holiness couldn't be compromised...for man, payment required death.

The Father sent His Son to be mediator between God and man – Holy God living a sinless life and dying an undeserved death so sinful man might live...an unheard of solution in religion never heard of before or since. The saved are singled out not by their own merits, but by the grace of the Mediator.
