Quiet Time Thoughts

1Ki 18:21 And Elijah came near to all the people and said, "How long will you go limping between two different opinions? If the LORD is God, follow him; but if Baal, then follow him." And the people did not answer him a word.

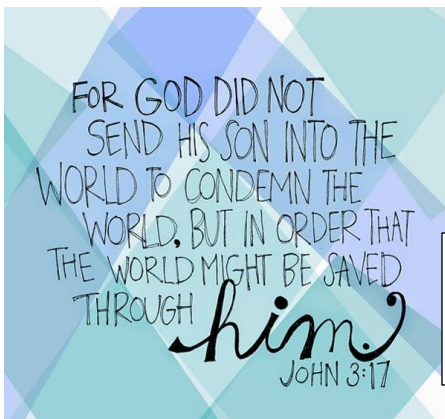

Any time we are faced with an "either/or" situation, we say it is a binary choice. Zero or one, open or closed. When it comes to life, every person has a binary choice to make. God or not God. Joshua challenged the Israelis to choose between God and Baal, and Elijah issued the same challenge. Jesus put it as a choice between God and money. When making a choice, choose God. Make sure your actions reflect Him and what He has taught us to be true.
