Quiet Time Thoughts

Psa 18:36 You gave a wide place for my steps under me, and my feet did not slip.

Whether in daytime or nighttime, we like to see as far into the future as possible. But there is no light that will give us that kind of vision. The equivalent of modern flashlights in Biblical times was the oil lamp. At best they would illuminate a few feet ahead of one's steps at night. We are given as much light as we need or can use. And all we need is enough light to do the next right thing. The apostle Paul called it, "walking by faith, not by sight".

If you are new to Faithway, have been attending for some time and would like a mailbox and/or receive the weekly prayer bulletin via email please call or email the church office. We also have a prayer chain for urgent prayer requests you could be a part of.
