Quiet Time Thoughts

Pro 13:10 By insolence comes nothing but strife, but with those who take advice is wisdom.

Most fights are seldom about right or wrong. Quarrels are fueled by pride, the need to be right, by wanting our own way, defending our egos.

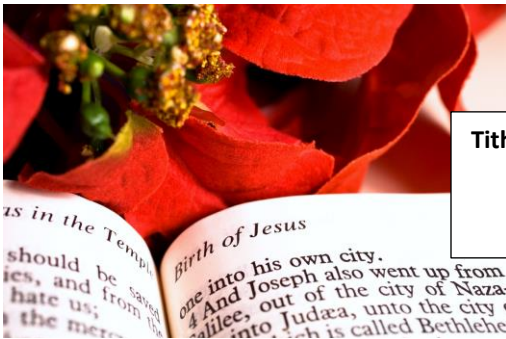

The flip side... Wisdom in those who humble themselves – those who set aside their own selfish ambitions, who acknowledge the limits of their understanding, who listen to other's point of view, who allow their own ideas to be corrected. This is the wisdom from God that spreads peace.
