Quiet Time Thoughts

Heb 4:15 For we do not have a high priest who is unable to sympathize with our weaknesses, but one who in every respect has been tempted as we are, yet without sin.

Temptation is not the same as sin. Sin is sin: being tempted to sin is not. Nothing illustrates this truth better than the fact, "Jesus was tempted as we are, yet, without sin". Resisting temptation was painful for Him, but through it He learned obedience. Satan will attempt to convince us to act on temptation and make us feel guilty for being tempted but temptation is not sin. Resist the efforts of the devil to have you judged guilty when you've done nothing wrong.
