Quiet Time Thoughts

Isaiah 60:19 The sun shall be no more your light by day, nor for brightness shall the moon give you light; but the LORD will be your everlasting light, and your God will be your glory.

Throughout Scripture, light and glory are used to describe the coming of the Lord. A time is coming when the sun and moon will be unnecessary. So, whenever I see glorious light displays in the skies above – whether in person or via picture on video – I think of it as a foretaste of what is to come and I praise God that even now His glory pierces the darkness.
