Quiet Time Thoughts

Mat 5:44 But I say to you, Love your enemies and pray for those who persecute you,
Satan excels at fueling blame and hate. He rejoices when we become defensive and cheers when we harbor deep resentments that slowly closes us from those around us. While there are harmful and unsafe people, we do not need to become a part of the hate cycle. The antidote is compassion, humility and forgiveness. It may be excruciating and sacrificial to bless and love our enemies but it is the only way to live.

If you are new to Faithway, have been attending for some time and would like a mailbox and/or receive the weekly prayer bulletin via email please call or email the church office.
