Quiet Time Thoughts

Psalm 127:1 ... Unless the LORD builds the house, those who build it labor in vain. Unless the LORD watches over the city, the watchman stays awake in vain.

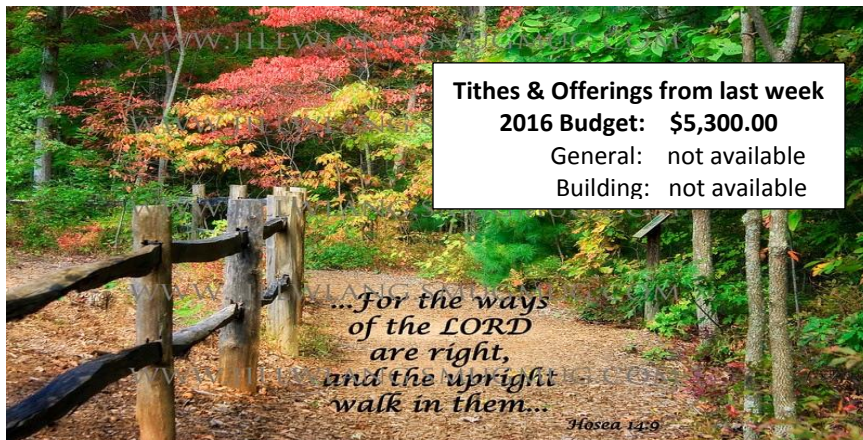

In Genesis chapter eleven a group of people decided to build a city and tower that would reach the heavens and unite their world. God however didn't want them working on a grand self-centred plan based on the idea that they could rise to the heights of God and solving their own problems. He stopped it and scattered them and revealed His plan to Abraham. Our faith does not rise out of our own dreams and solutions. The foundation of faith is in God alone and what He can do in and through us.
