Quiet Time Thoughts

John 7:38 Whoever believes in me, as the Scripture has said, 'Out of his heart will flow rivers of living water.'" . . . When we believe in Christ we experience rivers of living waters – the Holy Spirit – flowing from within us to a dry and parched culture. In His power, we will have courage to keep going, to persevere in the work of God, and to stand against the evils of our day. As you walk by faith in Him today, rivers of living water will flow through you to a waiting world.
